Dear Parent,

Your child can be tutored by YOU right in the comfort and convenience of your own home. **No training is necessary!** My techniques and procedures will enhance and enrich your child's literacy development. Lessons have been placed in a step-by-step easy to follow format and **lessons can be personalized to your child's favorite subjects.** With **REACH for Literacy** and one-on-one instruction, you will increase your child's attention span, listening, speaking, reading and writing skills. **REACH for Literacy** insures regular classroom children meet or exceed the National and State requirements. Your District's Standards may be viewed online. Join our one-on-one effort to eliminate children struggling to learn how to read and write. We believe learning to read should be exciting and fun.

Sincerely,
Dr. Rena Walker
